SIR

I have the honour to forward herewith the marginally noted applications received through the Principal of the College of Science at Poona & from three of the Mysore students who are studying for Engineering in that College praying for extensions of their scholarships

2 The first applicant K Javarayappa has passed the L C E Examination - held in November last and is at present attending the Night-dining Conductors Class. He was first given a scholarship of Rs 25 per month for three years by Order C No 65-9 dated 21st August 1891 and the same was extended for one year more till the end of November last by Order C No 105 dated 13th November 1894. He now prays that his scholarship may be extended for one month more till the 31st instant when

he will complete his course in the Lightning Conductor Class

3 The second applicant V Narasimhaswamy was granted a similar scholarship for three years by Order C. No 19-21 dated 23rd July 1892. He has passed the first and second examination in Civil Engineering, but was not able to appear for the final examination this year as he had not completed his drawings. He begs that his scholarship may be extended for a year more with effect from the 1st January next.

4. The third applicant, Saggere Sitaramayya's scholarship of Rs 25 per month was sanctioned for two and a half years till the end of December 1895 by Order C No 20-21 dated 2nd August 1893. He appeared for the L C & Examination of this year but was plucked in Practical Physics which was a minor subject in former years and was made a compulsory subject for the first time this year. He therefore requests that his scholarship may be extended for one year more to the end of December 1896.

5 The Principal of the College of Science has forwarded all the three applications for the favourable consideration of Government and in the case of Saggere Sitaramayya

has remarked that he is most deserving of, a
the concession. It has been usual in former
years to grant such concessions to students
-holding State Scholarships and I beg to re-
commend that under the circumstances
stated Government may be pleased to sanc-
tion the extensions prayed for by the
applicants

I have the honour to be,
